

AMENDMENTS TO THE SPECIFICATION

Please replace Paragraph [0025] with the following paragraph rewritten in amendment format:

[0025] The graphical portion 200 includes a first pane 202 illustrating a tree hierarchy 201 and a second pane 204 illustrating a constellation of values, e.g., a table (hereafter, "table 204"). The following description addresses the tree hierarchy 201 and then (further below) the table 204. It should be noted that the second pane 204 can depict a constellation other than a table.
